CHAMBER FLAGS

Safety is always #1 at the range. We want to thank shooters for purchasing and using mandatory chamber flags. It's a good feeling when returning from down range and knowing guns have been opened, cleared and you see those yellow chamber flags. You can purchase chamber flags in the office for .50 cents each.

Dues

Membership dues are due **now!** Come to the office and exchange your orange card for a green card by paying your 2011 dues. Orange cards are no longer honored.
